

children take after reading each book. For their efforts, pupils earn points, which they can then spend at the AR store twice a year.

Parents' involvement is another reason for Lakeview Elementary's exceptional performance. This fall, 99.6 percent of all parents attended their child's conferences. Parents are also very active in both the Lakeville Elementary Volunteer Organization and in the Parent Advisory Council. Last year, LEVO raised over \$17,900 to improve the educational program, providing a poetry residency for all pupils, funding two assembly presentations, purchasing lap-top computers for the children's use, providing funds for transportation for all field trips, expanding the number of AR tests available, and funding the new art bulletin boards.

Lakeview Elementary stresses the importance of being a good citizen through service projects. Last year, the children adopted an elementary school in Louisiana in the aftermath of Hurricane Katrina and held a fundraiser to buy school supplies and coats for the displaced children. This service project created a strong bond between the two schools, and the children communicated with their counterparts throughout the school year. The children also held a fund drive for the Pennies for Patients Children's Leukemia Campaign for which they raised more than \$2,600.

Lakeview Elementary School has consistently been ranked a Minnesota five-star school over the past few years, recognized for excellence by the Minnesota Department of Education.

Much of the credit for Lakeview Elementary School's success belongs to its principal, Terry Lind, and the dedicated teachers. The children and staff at Lakeview Elementary School understand that in order to be successful a school must go beyond achieving academic success; it must also provide a nurturing environment where children can develop the knowledge, skills, and attitudes for success throughout life. All of the faculty, staff, and pupils at Lakeview Elementary School should be very proud of their accomplishments.

I congratulate Lakeview Elementary School in Lakeville for winning the Award for Excellence in Education and for its exceptional contributions to education in Minnesota.●

#### SCHOOLCRAFT LEARNING COMMUNITY, BEMIDJI, MINNESOTA

● Mr. DAYTON. Mr. President, today I honor Schoolcraft Learning Community, in Bemidji, MN, which will soon receive an Award for Excellence in Education for its exceptional and innovative achievements in educating children.

Schoolcraft Learning Community is truly a model of educational success. The school, which is designed according to the principles of "service and compassion," uses learning through

service as a supplement to scholarly study to deepen intellectual growth, build character, and contribute to the community in a meaningful way. The school views combining service with study as a powerful motivator for giving young people a purpose to learn. In the context of service work, students writing a letter, making a brochure, or creating a book are encouraged to perform at a higher level because the audience is a real one and because students have an authentic reason to communicate.

An integral part of the Schoolcraft culture is the weekly conflict management/resolution class, which teaches peacekeeping skills. A group of 29 students, part of a Students Teaching Attitudes of Respect—STAR—team, visits other schools to promote conflict resolution skills.

Schoolcraft deepens educational opportunities through a half-year integrated unit of study during which a student conducts an in-depth investigation of a theme or topic through authentic research, projects, field work, service, and reflection.

The success of Schoolcraft Learning Community is reflected in the students' development into self-directed, lifelong learners who have the skills and knowledge to navigate confidently and compassionately in the world. The school's strong test scores have also been recognized by the Minnesota Department of Education; in 2006, Schoolcraft Learning Community received four stars in reading from the department.

Much of the credit for Schoolcraft Learning Community's success belongs to its director and superintendent, Scott Anderson, and the dedicated teachers. The students and staff at Schoolcraft Learning Community understand that in order to be successful, a school must go beyond achieving academic success; it must also provide a nurturing environment where students can develop the knowledge, skills, and attitudes for success throughout life. All of the faculty, staff, and students at Schoolcraft Learning Community should be very proud of their accomplishments.

I congratulate Schoolcraft Learning Community in Bemidji for winning the Award for Excellence in Education and for its exceptional contributions to education in Minnesota.●

#### TRIBUTE TO CAROLE KELL OF COBB COUNTY, GEORGIA

● Mr. ISAKSON. Mr. President, today I wish to pay tribute in the RECORD of the Senate to my friend Carole Kell, who is a great Georgian, a great American, and a great citizen of Cobb County. Next week Carole will be honored by the Cobb Chamber of Commerce as the East Cobb Citizen of the Year for her many contributions to the quality of life in Cobb County, GA.

Carole has a long and distinguished record as an educator in Cobb County,

where she has lived for over 40 years. During her career, she served as the principal of Dickerson Middle School and Hightower Trail Middle School. I believe education is the most important thing we can provide for our children and for our country's future, and I commend Carole for her dedication to the success of her students over the years.

Carole also has a long history of community involvement in my hometown of Marietta, GA, where she is a well-respected and dedicated leader. Although Carole has retired from the workforce, she has not "retired" from her commitment to her community. Hopefully, she never will.

Carole is a longstanding member of the board of directors of the Cobb YMCA and the Business Education Steering Committee of the Cobb Chamber of Commerce. She is the chair of the Committee for Election of the Cobb County Commission and chair of the Wellstar Cancer Council.

Carole also serves on the advisory board for Johnson Ferry Community Bank of the South, the Cobb and Douglas Board of Health, and the Cobb and Douglas Community Services Board. In addition, she is a member of the Cobb County Republican Women's Club and a board member of the Cobb Boys and Girls Club as well as a member of the Citizens Advisory Committee for Kell High School, which is named after her late husband.

Carole was an active member of Marietta Baptist Church, where she taught Sunday School for children, sang in the adult choir, and helped with the children's choir. She is currently a member of Johnson Ferry Baptist Church. Carole has also raised funds over the years for the American Cancer Society, the Leukemia Society, and the American Heart Association.

It gives me a great deal of pleasure and it is a privilege to recognize on the floor of the U.S. Senate the contributions of Carole Kell to Cobb County and the State of Georgia.●
